As the largest living history museum in New England, Old Sturbridge Village brings history to life through costumed historians, preserved buildings, a working farm and mills, amazing objects in our vast collections and incredible stories from life in the early 19th century. Offering more programming, more hands-on experiences and more fun for all ages, we are more than a museum — we are Old Sturbridge Village.

Tips for a great visit:
• Be curious and have fun!
• Help us preserve the 1830s experience by silencing all mobile devices
• Walk carefully on the Village’s natural roadways
• Ask the interpreters (our costumed historians) questions about life in the 1830s

Please refrain from:
• Eating and drinking in historic buildings
• Touching or feeding the farm animals and wildlife
• Walking or climbing on fences, stone walls, and trees
• Smoking
• Use of tripods and selfie-sticks
• Use of amplified music

Policies:
• While service animals are allowed in the Village, we regret that pets are not allowed.
• Members are allowed to bring their dogs on designated Dog Days.
• Soliciting is not permitted unless authorized by management.
• Photography in Old Sturbridge Village is permitted for personal use only.
• By entering the museum, you agree to the use of your image for publicity purposes.
• Only law enforcement officers are permitted to carry concealed weapons on property.
• Many exhibits are accessible. See the * symbol on the map. Wheelchairs are available on loan at the Visitor Center.
